

Elegance Combination Mixer Shower Unit

- Ideal where shower installation space is at a premium
- Retractable hose makes for neat storage when shower is not in use
- Water flow can be temporarily shut off at shower head to maintain mix setting
- One unit can be used as either a worktop mounted tap or a 'pull up style' shower
- 1.7m (5' 7") long hose
- Connects directly to Whale Quick Connect 12 mm plumbing
- For systems operating at up to 2.4 bar (35 psi)
